

CI Archive

Manage and control your data footprint with ease.

With just a few clicks, you can archive, restore, and move (ARM) Relativity workspaces for ultimate flexibility and efficiency in storage. Place the ARM on your internal servers, a stored hard drive, or have the option for archive storage from Cimplifi at a far lower storage rate.

CUSTOM SECURITY POLICIES

CI Archive gives permission to “create ARMs” to client admins in Relativity, eliminating Relativity’s constraints in limiting ARM creation to users with system admin credentials. Any authorized user can kick off an ARM for the ultimate in ease.

INTUITIVE INTERFACE

CI Archive features a straightforward, simple-to-use interface that eliminates any confusion from creating an ARM.

Cimplifi™ powers our client experience.

Discover the many advantages of Cimplifi and see why clients love working with us.

BURDEN-FREE TECHNOLOGY

Get access to a secure ecosystem of the most powerful eDiscovery and contract analytics tools, free from the burden of infrastructure, back-end implementation, or maintenance.

CLIENT-DRIVEN INTEGRATIONS

We make the best technologies work better through workflow and software integrations that streamline and integrate administration, processes, and reporting and deliver valuable insights and benefits.

SCALABLE & CUSTOMIZABLE

We give you the flexibility to deploy our platform of Cimplifi Legal Solutions™ for your entire operation or utilize it for a single project—scale up or down without limits. Tailor your tech stack and access a custom platform without any custom development.

TOP-TIER SECURITY

At Cimplifi, we're serious about security. We employ the highest standards across our enterprise and stand up to the most rigorous vetting.

COST MANAGEMENT & RECOVERY

Realize cost savings and gain visibility into your spend through metrics and dashboards that can help you track, manage, and recover costs.

EXPERT SUPPORT

We earn our clients' trust and confidence by delivering responsive and reliable service, proactive project management, and a deep bench of seasoned legal, technical, and subject matter experts.
